Our ref:607859

Dear Sir/ Madam,

M6 junction 36 – resurfacing work

This letter is to inform you of our work to repair sections of carriageway on the:

- M6 junction 36 southbound mainline
- M6 junction 36 southbound hard-shoulder
- M6 junction 36 southbound entry slip road

Our repairs will include surfacing and replacing the road markings and road studs. The purpose of our work is to ensure we keep the network safe and operational, as well as improving journeys for our customers.

Work is due to start from 10 January for around five weeks. This will take place between 8pm and 6am. Below is a breakdown of our work, and what traffic management is required for safety purposes:

Location	Dates	Traffic management
M6 junction 36 to Chapel Bridge	10 January to 7 February	Closure of M6 junction 36 entry slip road. Lane closures on the M6 with a 50mph speed restriction
M6 junction 36 to Chapel Bridge	8 February to 13 February	Closure of M6 between junction 36 exit slip and entry slip Lane closures on the M6 50mph speed restriction

To ensure journeys are maintained, we will have signed diversion routes in place. Please allow additional time and check your journey before travel.

We always aim to complete our work on time, but unforeseen circumstances such as bad weather may mean slight changes occur at short notice. Every effort will be made to ensure disruption is kept to a minimum. However, these works will inevitably generate some noise and disruption and we'd like to apologise in advance for any disturbance.

How to find out more

For more information on this and other work in the north-west, please visit our webpage at <https://highwaysengland.co.uk/our-work/north-west/>. You can also follow us on twitter @HighwaysNWEST.

If you have any queries about the work, please contact us on 0300 123 5000. Or you can email us on info@highwaysengland.co.uk.

Yours faithfully,

C. Newsham
